"AS IT WAS IN THE DAYS OF NOAH!"

By Gordon F. Nelson

"And I will establish my covenant with you, neither shall all flesh be cut off any more by the waters of a flood; neither shall there any more be a flood to destroy the earth." Gen. 9:11.

God promises to never again destroy the entire earth with water!

"And God said, This is the token of the covenant which I make between me and you and every living creature that is with you, for perpetual generations: I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth. And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: and I will remember my covenant, which is between me and you and every living creature of all flesh; and the WATERS SHALL NO MORE BECOME A FLOOD to destroy all flesh." Gen. 9:12-15.

God will never again destroy the earth by the waters that become a flood to destroy the entire earth. The rainbow is the evidence of that covenant God made with man.

"And Noah builded an altar unto the LORD (the first thing he did on the renovated earth once the waters receded); and took of every clean beast, and of every clean fowl, and offered burnt offerings on the altar. And the LORD smelled a sweet savour; and the LORD said in his heart, I will not again curse the ground any more for man's sake; for the imagination of man's heart is evil from his youth; neither will I again smite any more every thing living, as I have done. While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease." Gen. 8:20-22.

God repented! Man *"is evil from his youth!"* No matter how evil man becomes, the next time it will be his own doing--not mine. Mankind is capable of destroying all flesh upon the face of the earth, with no help from God.

"But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved (Heb.: melt, destroy), and the elements shall melt with fervent heat?" 2 Pet. 3:10-12.

Until the United States of America dropped the atomic bomb on Hiroshima, thus ending the war with Japan, mankind did not know the true meaning of these three scriptures in 2 Peter. *"Melt with fervent heat."* God didn't destroy Hiroshima, man did! God gets blamed for things He did not do! Mankind did it to themselves.

There are three heavens mentioned in scripture. Obviously, Peter is referring to the first heaven surrounding the earth. The earth's atmosphere shall also be dissolved, including its ozone layer that protects man from the sun's rays. Talk about environmental! These atomic bombs can destroy the ozone layer that surrounds the earth. It isn't even a campaign issue with any of the candidates. We are all sitting on a powder keg of dynamite, and atomic bombs that could explode before you even receive the January issue of *RBN*.

Chuck Missler, of Koinonia House, has audio tapes titled, "Behold a Red Horse," for \$14.95. Call 1-800-HOUSE-1. Chuck warns you of the largest arsenal of ballistic missiles in the world. They are all aimed at the USA. This arsenal was built by Democratic dollars sent to Russia in the name of peace.

Red China, another country whose chief aim is world domination, will control the Panama Canal on January 1, 2000. When America forgets God, she is just as blind as Samson was grinding at the mill. *"A fool hath said in his heart, There is no God."* Ps. 14:1. America is on a mission to wipe God out of the memory of its people through the doctrine of evolution!

We've been invaded by a foreign power. A Trojan horse is within our gates. They have declared war on the church. You are absolutely defenseless to fight or resist in a warfare where you have never located the enemy.

After the death of my wife from Lou Gehrig's disease, or myasthenia gravis, I married a "cat" on the rebound. Every male thinks he needs a "cat" to enjoy love. God chose my first wife. I chose my second! *"That the sons of God SAW the daughters of men that they were fair; and they took them wives of all which they chose."* Gen. 6:2. Your own eyes will deceive you, men, when selecting a wife. *"For the LORD seeth not as man seeth; for man looketh on the outward appearance, but the LORD looketh on the heart."* 1 Sam. 16:7.

The first most important decision you will ever make in this life is to accept Jesus Christ as your personal Saviour from sin. The second is the choice of a mate. Failure to make the correct choice can cost you your soul. You must seek God to be saved and seek Him again to choose your mate for life. It was Andrew Murray who stated the third most important decision in life was to decide to rise early in the morning and spend time in prayer with God. Anyway, I was so blindly in love with my beautiful cat I had married, I couldn't see any evil in her.

A couple of years into the marriage she discovered she was a cat! Cats are born for men, not a man. It is impossible to defend yourself, even in a divorce, while you are still in love. You must sober up! Finally, God gave me a dream and revealed to me that I was married to a vicious cat that was dedicated to destroy me. I would probably have committed suicide if God hadn't given me that dream. Oh! Getting married can be the biggest leap in the dark you will ever take. One really doesn't KNOW who they married until it is too late. Isn't it strange that God would use the word "know" in relationship to sex? *"And Adam knew Eve his wife; and she conceived, and bare Cain."* Gen. 4:1. It is for this reason that Jesus inserted the word "fornication." You don't know who you married until it is too late. Soon after marriage you discover you've married a gay individual. They are more interested in a same sex relationship than a monogamous marriage. Does God expect you to be bound in a "death pact" with a queer? "Until death do us part." Honey, absolutely not!

On the wedding night you discover your mate has syphilis, gonorrhea or AIDS! Should you remain faithful to some death pact vow you made in a church before God and the people? Absolutely not!

Particularly, second and third marriages should never be consummated without a lawyer. A full disclosure is most important in the department of finance. Each party brings with them items from a previous marriage, further complicated if children are involved. These financial decisions must be resolved before marriage, or if they are procrastinated due to love, these will be the reason for the divorce. No one wants to discuss money while they are in love.

America is being blinded by our television networks through the news media. We are made to feel in love with our enemies. Once God gave me this dream and identified the enemy, the vicious cat, I was able to defend myself and stave off destruction. We need to know who we are dealing with. "Who are you? What is your name? Why are you permitted to take up space on planet earth?" You must ask these kinds of questions to keep from being deceived. *"For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."* Matt. 24:24. Jesus' first warning when asked about the last days was, *"Take heed that no man deceive you."* Matt. 24:4. *"Take ye heed, watch and pray: for ye know not when the time is."* Mk. 13:33. It is not enough just to pray, but you need to watch in relationship to *"try the spirits whether they are of God."* 1 Jn. 4:1.

"And as it was in the days of Noah, so shall it be also in the days of the Son of man." Lk. 17:26. How was it in the days of Noah? Let us take a look. In Genesis 6:5-7, *"And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart."* Have you ever loved someone so much that when they so disappointed you it broke your

heart? Take your children that you send to an atheistic communal type school for an education. You love them dearly, but can't understand why they come away acting like monkeys! Honey, they are taught they evolved from the ape! With that belief system, why wouldn't they be an inhumane animal?

God was repenting and his heart was broken for another reason. Proof that God repented is recorded in Genesis 9:4-6, in the renovated earth. He is making some new rules for this new earth.

Rule #1 - *"But flesh with the life thereof, which is the blood thereof, shall ye not eat."*

Rule #2 - *"And surely your blood of your lives will I require; at the hand of every beast will I require it; and at the hand of every man; at the hand of every man's brother will I require the life of man."* God institutes corporal punishment in the earth for the very first time, and then adds, *"Whoso sheddeth man's blood, BY MAN shall his blood be shed: for in the image of God made he man."*

If you want the answer to the question, "Is capital punishment a deterrent to crime?" Your answer is in the antediluvian world. God shielded and protected the life of the world's first murderer. God spoke to Cain, *"What hast thou done? the voice of thy brother's blood crieth unto me from the ground. And now art thou cursed...and a vagabond (a wanderer) shalt thou be in the earth. And Cain said unto the LORD, My punishment is greater than I can bear. Behold, thou hast driven me out this day from the face of the earth; and from thy face (no more communion with God) shall I be hid; and I shall be a fugitive and a vagabond in the earth; and it shall come to pass, that every one that findeth me shall slay me."* Gen. 4:10-14.

Just like parents of today listening to the pleadings of their own offspring who acquire AIDS, smoke pot, etc. Sure, you love your children. But unless they learn discipline, they are worthless to society. The public school system provides the legitimacy to all the lyrics of rock 'n roll! It is a collusion. The schools teach you to put in practice what the rock 'n roll lyric is all about. It is a maddening society that has its roots in non-enforcement of capital punishment.

God hearkened unto Cain. This is God's first grandchild! We have no idea how much God loved Cain. He loved him like grandparents do! They go overboard! *"And the LORD said unto him (Cain), Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold. And the LORD set a mark upon Cain, lest any finding him should kill him."* Gen. 4:15.

Next we will hear from the world's second murderer in Gen. 4:23. *"And Lamech said unto his wives, Adah and Zillah, Hear my voice; ye wives of Lamech, hearken unto my speech: for I have slain a man to my wounding, and a young man to my hurt."*

God is no respecter of persons! He is a righteous judge. If God let Cain off the hook, why not Lamech? Just as we base everything on previous Supreme Court decisions, so God had to listen to Lamech's plea. The Supreme Court Justice for the universe passed judgment on Lamech's case. God decided to not enforce capital punishment here either by this verdict. *"If Cain shall be avenged sevenfold, truly Lamech seventy and sevenfold."* Gen. 4:24. God came to the rescue of Lamech. The antediluvian world did not enforce capital punishment. God does not cover up His part in having to destroy man for his own wickedness, but He repents.

What else brought on the flood? Intermarriage between the sons of Seth and the daughters of Cain. This was the final straw that broke the camel's back! Christians marrying the heathen!

That sin is recorded in Genesis 6:2. *"That the sons of God SAW the daughters of men (Cain's daughters) that they were fair; and they took them wives of all which they chose."* It is after these ungodly marriages that God declares, *"My spirit shall not always strive with man, for that he also is flesh (man is flesh, not a 'little god'); yet his days shall be an hundred and twenty years."* Gen. 6:3.

Whenever you marry the godless heathen, you are committing the sin that God decided He had had it with with mankind. *"I'll destroy them from off the earth in 120 years."* *"But Noah found grace in the eyes of the LORD."* Gen. 6:8. *"The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and, behold it was corrupt; for all flesh had corrupted his way upon the earth."* Gen. 6:11-12.

"Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? and what agreement hath the temple of God with idols? for ye are the temple of the living God." 2 Cor. 6:14. In the Bible, a New Testament teaching is a truth established from an Old Testament story. *"In the mouth of two or three witnesses shall every word be established."* 2 Cor. 13:1. What is the Old Testament witness to *"Be ye not unequally yoked together with unbelievers"*? The answer is in Genesis 6:2, *"That the sons of God...married the daughters of men (Cain)."*

Modern day Bible scholars try to destroy your second witness by declaring the sons of God were fallen angels. It is a lie! Jesus said, *"Ye do err, not knowing the scriptures, nor the power of God. For in the resurrection they neither marry, nor are they given in marriage, but are as the angels of God in heaven."* Matt. 22:29-30. Angels do not marry.

The Bible declares there will be another flood! This flood will not be brought on by God. Man will once again become as corrupt as in the day God destroyed the earth with His flood. *"And as it was in the*

days of Noah, so shall it be also in the days of the Son of man.” Lk. 17:26. To be like the days of Noah, we have to have another flood! Only this flood is created by man in his hatred toward a Creator.

This flood is a flood in intellectualism designed to prove there is no God. The chief tenants of this new religion, called humanism, is first, evolution, and second, to be adamant against capital punishment. Man has been working on this flood a long time! Then came the Supreme Court and gave us Roe vs. Wade and the taking of prayer and Bible reading out of the classroom. The water was only ankle deep with evolution and being against capital punishment. With the Supreme Court rulings the waters suddenly came up to our loins. Then came Elvis Presley and the Beatles to put to lyric everything taught in the classroom. The water is rising. Then came the sexual revolution of the 1960’s. “If it feels good, do it!” It took President Clinton and his “Don’t ask, don’t tell” policy of gays in the military to bring the waters to a flood stage.

In this flood, our moorings that use to hold family, church and government together, are being destroyed. We have nothing to anchor our lives to, just floating debris upon the waters of humanism and corporate America.

In Seattle we saw an outburst that reminded us of the protests against the Vietnam War and the Watts riots. It started out as a legitimate move to protest globalization of jobs by corporate America. The Teamsters and Labor Unions were protesting the World Trade Organization because of the loss of jobs in America. They stood on legitimate grounds in their voice to be heard. Then the anarchists, the professional hell-raisers, moved in. WTO is really GATT. Your congressmen voted GATT and NAFTA into law. By doing so, you’ve brought into our country a Trojan horse called, Corporate America! Corporate America is dedicated to take jobs elsewhere. Corporate America is like a foreign power that has moved into our country that is dedicated to destroy Christians by concentrating on one of their core beliefs that the gay lifestyle is unacceptable. Thank God Hawaii turned down gay marriages.

We are at war! Unfortunately, Christians aren’t aware that a war is going on! You are unable to protect yourself unless you fall out of love with Corporate America. You are caught up in all the glitter, the Dan Rather reports, your daily newspaper and news media, which prevent you from ever seeing the enemy. Have you ever seen these pictures that ask you to find the donkey and the boy? It is hidden, and you have to search. Truth is obscured in the same way through our own news media, that they can cause you to believe that true Christians are the enemy of our society. It is much like the situation where I was totally in love with my wife, while she was dedicated to my destruction. You are helpless against an enemy as long as you are still in love.

While in Hawaii, I witnessed to a man who was being destroyed by our courts. He was still in love! He could not defend himself until he sobered up!

Corporate America is your enemy! We have a Trojan horse within our country that has billions and billions of dollars to jam the homosexual lifestyle down our throats, whether we like it or not. Politicians can be bought, and there are few statesmen left. It's been said, "Every politician has his price. We meet that price!" Just to reveal to you what Standard Oil Co. does with their money! Practically every politician in the California legislature is beholden to Big Oil. How else did MTBE make it into our state? It cost the consumer to bring it into our gasoline, now it costs to get it out! Thanks to Geoff Metcalf, talk show host on 560 KC, MTBE that is destroying our drinking water is finally being outlawed.

The most recent outbreak of this manmade flood that God foretold manifested itself in Davis, CA. The headline in the Friday, December 10, 1999, Sacramento Bee reads: "Davis schools to stop helping Boy Scout recruitment." The reason given for barring its schools from sending home communications and solicitations from the Boy Scouts is because, they say, the organization violates district policy by excluding gays and atheists. Soon it will be your church! Doesn't the church bar gays and atheists from singing in the choir, playing the piano, or speaking at the podium?

Could Corporate America prevent any Christian from holding a credit card? to buy and to sell? When will the church recognize this flood? When will they begin to fight back by resisting the invader of our country, Corporate America?
