Only believers "shall take up
serpents" (of the sea). (Mk. 16:18)

MESSAGE 4 - 2006

ROAD TO PEACE?
(THE OSLO ACCORDS)

By Captain Gordon Nelson

This road map to peace that our last four Presidents have been traveling, never benefits Israel. Like a drunkard hooked on alcohol, an addict seeking a fix, a two-pack-a-day smoker seeking more cigarettes, a glutton hooked on food, we as a nation are hooked on Saudi Arabia for oil. It is an addiction that is blinding us to reality. We've been playing this game of dependency on foreign oil for so long it has become an accepted lifestyle.

Adolph Hitler's bible

It is said, "If a nation can't learn from history, it will repeat itself." Our first introduction in modern times was with Adolph Hitler. We were supposed to learn from this experience with a despot that we cannot appease the enemy. Like General MacArthur once said, "There is no substitute for victory."

Adolph Hitler wrote it all down in his own bible, that he called *Mein Kampf*, and performed according to script. Hitler was out to conquer the world. Our own secular humanists do not believe in any man's religion, let alone to take seriously anything Hitler had to say! They couldn't be bothered about reading Hitler's bible! History has taught us to respect all bibles.

Islam's bible – The Koran

With Secular Humanists empowered in the decision making process, America is again faced with an enemy, Islam. Muslims also have their own bible. Are we again repeating our ignorance by refusing to read the Koran? Jihad means "submit." One either submits to Allah, or dies. It is your choice. They are out to destroy us, and like the city of Troy, we are allowing a Trojan Horse to enter our nine seaports on the east coast, all to appease and please our addiction for foreign oil. The environmentalist wackos in America make sure we will never take the fix by tapping into our own oil reserves in Alaska.

America is marked!

TBN attempted to silence Hal Lindsey. The Hal Lindsey Report is now aired on Daystar TV on Sundays and Tuesdays. We are at war in the realm of truth. We murder a million unborn babies every year. The voice of just one man's blood, Abel, came screaming up before God for vengeance. *"And the LORD said unto Cain, Where is Abel thy brother?...the voice of thy brother's blood crieth unto me from the ground."* (Gen. 4:9-10) God placed a mark upon Cain. A mark has been placed upon America for destruction, just as it was on Cain and Sodom and Gomorrah.

Is this a message to America?

This is the excerpt from the final message to both Sodom and Gomorrah before their total

annihilation by fire and brimstone. *"HEAR THE WORD OF THE LORD, ye rulers of Sodom; give ear unto the law of our God, ye people of Gomorrah."* (Isa. 1:10) Could this be a message to America, as well?

"To what purpose is the multitude of your sacrifices unto me? saith the LORD: I am full of the burnt offerings of rams, and the fat of fed beasts; and I delight not in the blood of bullocks, or of lambs, or of he goats. (Sodom and Gomorrah were very religious.)

When ye come to appear before me, who hath required this at your hand, to tread my courts? Bring no more vain oblations (donation, or gift); incense is an abomination unto me; the new moons and sabbaths, the calling of assemblies, I cannot away with; it is iniquity, even the solemn meeting.

Your new moons and your appointed feasts my soul hateth; they are a trouble unto me; I am weary to bear them. And when ye spread forth your hands, I will hide my eyes from you: yea, when ye make many prayers, I will not hear: your hands are full of blood.

Wash you, make you clean; and put away the evil of your doings from before my eyes; cease to do evil; learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow.

Come now, and let us reason together, saith the LORD...If ye be willing and obedient, ye shall eat the good of the land: but if ye refuse and rebel, YE SHALL BE DEVOURED WITH THE SWORD: for the mouth of the LORD hath spoken it. How is the faithful city become an harlot! it was full of judgment; righteousness lodged in it; but now murderers.

Thy silver (the economy) is become dross, thy wine (joy) mixed with water. Thy princes are rebellious, and companions of thieves: every one loveth gifts, and followeth after rewards: they judge not the fatherless, neither doth the cause of the widow come unto them.

Therefore saith the LORD, the LORD of hosts, the mighty One of Israel, Ah, I will ease me of mine adversaries, and AVENGE ME OF MY ENEMIES." (Isa. 1:11-24)

Soon after this warning message, God sent fire and brimstone and destroyed the cities of Sodom and Gomorrah. Are we beginning to see the demise of America because she is unable to "reason" with God over her sins? *"My spirit shall not always strive (attempting to reason) with man....And GOD SAW that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."* (Gen. 6:3,5) Do you believe God can see what man does at a Mardi Gras in New Orleans? The church is no longer the salt of the earth. It has lost its savour, therefore is good for nothing, *"but to be trodden under the foot of men."* (Matt. 5:13) Is New Orleans and San Francisco a type of Sodom and Gomorrah?

"It repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth...The earth also was corrupt before God, and the earth was filled with violence." (Gen. 6:6-7,11)

Noah's message – Destruction is coming!

Why are you telling us all about this destruction? Because that was the message of Noah to his

generation. The scripture is very clear that our message should be the same as that of Noah and Lot (Lk. 17:26,28), warning folks of judgment to come.

But Isaiah declares the prophets at the end time will be like "blind dogs that cannot bark"!

"His watchmen are blind: they are all ignorant, they are all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain, from his quarter (his own partners). Come ye, say they, I will fetch wine (joy), and we will fill ourselves with strong drink; and to morrow will be as this day, and much more abundant." (Isa. 56:10-12)

Do you think God doesn't know what is going on, even now?

One more sign that must proceed the rapture

James 5:3 says, *"Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh (get a cancer) as it were fire. You've heaped treasure together (for early retirement) for the last days."* It is far better for you to have never had a million dollars, than to have made it and then to have lost it. *"Go to now, ye rich men, weep and howl for your miseries that shall come upon you... Ye have lived in pleasure on the earth, and been wanton (luxurious lifestyle); ye have nourished your hearts, as in a day of slaughter. Ye have condemned and killed the just; and he doth not resist you."* (Jas. 5:1,5-6)

One more unfulfilled promise that must precede the rapture is, *"Be patient therefore, brethren, unto the coming of the Lord."* (Jas. 5:7) It is payday for the rich and powerful. The church will look on as spectators, never again envying the rich and the famous.

The parable of the five wise and five foolish virgins is an allegory about the two churches that will exist side by side at the end of the age, Philadelphia and Laodicea. They all slumbered and slept. What put them to sleep?

I believe John Darby's pre-trib rapture doctrine is what put the virgins to sleep. This particular doctrine enriches the coffers of the church. Any doctrine that can enrich the church treasury is declared, "orthodox theology." I coined this statement, "The Protestants will abandon John Darby's pre-trib rapture doctrine when the Catholic Church scuttles the doctrine of Purgatory." Both of these doctrines create the necessary climate for extracting money from the parishioners in order to pay the bills. To convince folks of the imminent return of Christ, the preacher screams while taking up the offering, "Who needs extra cash lying around in the bank for the Antichrist to use!"

The preacher can't afford financially to pass on Christ's instructions, *"Freely ye have received; freely give."* (Matt. 10:8) Of all the doctrines that Christ ever taught, you'll never hear this one reiterated in any church. This particular doctrine is the one embraced by the Captain of the Old Ship of Zion. We have nothing to buy or sell. Whatsoever we have is freely given in the name of the Lord, and we pay the postage to get it to you. Our only prayer is that you don't abuse the stamps by your refusal to read the message.

A greedy spirit can blind your eyes to truth. I'd rather have my eyes open to revelation knowledge than your ten spot. How can a man out give God? The Bible calls us ministers, "*stewards of the mysteries of God.*" (1 Cor. 4:1) Do you qualify as such a steward?

Out of his treasure should come forth something new and something old. Every time I set out to write these newsletters to feed God's sheep over my vast email family, Internet family and a host of family by US Mail, I ask God to give me something new. He never fails me. I am convinced more than ever the Bible is a jigsaw puzzle of over 5,000 pieces. Each scripture, if you're skillful, must not be placed if it is at the expense of another scripture. God has a real sense of humor, because Father God has purposely "*hid these things from the wise and prudent, and has revealed them unto babes.*" (Lk. 10:21) Even Jesus thanks God that He had the ability to do this in his prayer.

Returning to our parable of the five wise and the five foolish virgins, what more can we glean from this allegory? Why were they so named? If you're a wise Philadelphian Christian, you've been sealed by the Holy Spirit unto the day of redemption, thereby assured of eternal life. The foolish Laodicean virgins finally concede their need for something more than merely a confession of their faith. These particular foolish virgins are hard core Darby-Scofield fanatics. The hour is late, nigh unto midnight, before they concede their Dallas Theological Seminary theology is simply revived Calvinism. Can you image what would have to transpire in the heart of a hard core Southern Baptist to say to a Pentecostal, "*Give us of your oil; for our lamps are gone out*" (Matt. 25:8)? What was once easy, now suddenly becomes a chore! We don't think we can make it without help from the Holy Ghost. The foolish virgins had waited just too long before putting in their request. The devil knows he has but a short time to work, so he works much harder as the end approaches.

The wise virgins answered the foolish virgins, "*No so; lest there be not enough (oil) for us and you: but go ye rather to them that sell, and buy for yourselves.*" (Matt: 25:9) Go and get it the way we did, from buying books from televangelists over Christian television. Apparently, these merchandisers in books are still here selling their wares, proving they are "truth sayers." "*All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say, and do not.*" (Matt. 23:3)

Peter preached his most famous sermon in Jerusalem explaining to the multitudes what had happened when the day of Pentecost had fully come. "*But Peter, standing up with the eleven, lifted up his voice, and said unto them, Ye men of Judaea, and all ye that dwell at Jerusalem, be this known unto you, and hearken to my words: for these are not drunken, as ye suppose, seeing it is but the third hour of the day.*" (Acts 2:14-15) He is explaining that a new thing has happened, this "speaking in tongues" as a sign to the unbeliever. This is not religion, but God visiting His people.

This is the very first sermon ever preached under the canopy of what we call "the Church." In this sermon, Peter discloses more signs that have yet gone unfulfilled, "*The sun shall be turned into darkness, and the moon into blood, before the great and notable day of the Lord come.*" (Acts 2:20) Then Peter screams, "*Save yourselves from this untoward generation.*" (Acts 2:40) According to Calvinistic fundamentalism, this is absolutely taboo that an individual should "do" anything to "save himself." God does it all!

This “doing” that Peter is relating to is the, *“Let us labour therefore to enter into that rest.”* (Heb. 4:11) *“For if Jesus (Comforter #1) had given them rest, then would he not afterward have spoken of another day.”* (Heb. 4:8) The “another day” was when Comforter #1 (a type of Moses) had to pray, *“And I will pray the Father, and he shall give you ANOTHER COMFORTER (Comforter #2), that he may abide with you for ever.”* (Jn. 14:16)

Sorry, DTS lied to you. Unconditional salvation is in *“the holy Spirit of God, whereby ye are sealed unto the day of redemption.”* (Eph. 4:30) The speaking in tongues represents that “seal” that you’ve been accepted by the Father. The foolish virgins were foolish because they thought they could bypass the Father. In a Jewish wedding, if the father turns his thumbs down on the bride, there is no wedding.

Peter concludes his message with the crowd screaming, *“What shall we do (to be saved)?”* (Acts 2:37)

#1 – *“Repent...”*

#2 – *“be baptized...for the remission of sins”*

#3 – *“and ye shall receive the gift of the Holy Ghost.”* (Acts 2:38)

This is Apostle Peter speaking, telling you the three things every Christian must do to be saved.

Clinton’s NAFTA brings judgment from the south; Bush’s seaports bring judgment from Saudi Arabia

Judgment is coming to America, both from the South (Mexico) and the East (Saudi Arabia). Rush Limbaugh is noticeably silent when it comes to issues involving Corporate America. Corporate America was made even more wealthy though Bill Clinton’s NAFTA and GATT. Corporate America’s headquarters is in New York City. It is a nation unto itself. It is probably the wealthiest city in the world. Is Rush Limbaugh now earning his real money from Corporate America by attempting to desensitize the American public over Saudi Arabian ships being permitted to enter nine seaports on our east coast?

The Jerusalem Post has already warned us that these nine seaports will boycott all Israeli products coming in or out of America at these ports. Once again, we are proving to be on the wrong side in seeking peace, using the wrong road map.

At what point do we incur God’s curse?

These ports of entry for Saudi Arabia and the Oslo Peace Accord, both follow a path that weakens the only democracy in that part of the world favorable to America. At what point in this Road Map to Peace do we invoke God’s wrath? God said to Abraham and his seed, *“I will make of thee a great nation...and I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.”* (Gen. 12:2-3) No nation who has chosen to turn its back on Israel has survived to tell about it.

Sheep and goat judgment

All the Gentile nations will one day be judged by God as to how they treated or mistreated the Jewish people. *“And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: and he shall set the sheep on his right hand,*

but the goats on the left.” (Matt. 25:32-33) Will secular humanism, and our following this Oslo Road Map jeopardize our status in the eyes of God and cause us to be counted among the goat nations? In choosing a liberal as President, you are choosing a goat.

We voted a Republican President into office for a change, only to discover there is no change! Ever wonder why? They all follow the Oslo Peace Accords plan that started in 1993. *“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.”* (1 Thes. 5:3) Finally, I find a scripture where America is shown in Bible prophecy!

Bush is following the peace plan of Clinton

George W. Bush is following the peace plan of Bill Clinton. Our President is following completely the directions of NAFTA and GATT, signed into law by Bill Clinton. Bill Clinton was soundly on the wrong side of history! Why can't the “new elect” do anything to change the direction of the Oslo Accords and of the NAFTA agreement and secure our borders?

Are our Presidents' puppets that perform on the world stage to the pulling of the strings of secret societies, like the Bilderbergers of Europe who meet annually in luxurious, secluded locations, so secured to maintain its secrecy?

Spotlight

There used to be a tabloid called The Spotlight, out of Washington DC. Its name “Spotlight,” was adopted because of its sole desire to put the “spotlight” on this elitest group, calling attention to the fact that they exist. The Spotlight would manage to squeeze an informant through the security. In turn, you and I could be informed as to what really was going on when Corporate America, Corporate Europe and Corporate Japan all came together.

Believe it or not, the heads of General Motors, Ford, Chrysler, DuPont, Toyota, Honda, IBM, ABC, CBS, etc., all assemble under one roof. The mass news media completely blacks out information because they are a part of this body! It is at these meetings that they decide who will be the next President of the United States. Corporate America could not lose because both John Kerry and George Bush were initiates to the Skull and Bones society at Yale.

Trilateral Commission

The American counterpart of the Bilderbergers is the Trilateral Commission, whose founder and honorary chairman is David Rockefeller, the most powerful man in America. The “tri” in Trilateral represents three. It is an agreement between Japan, the USA and Europe. It is under the guise of this agreement that America backs off, while Toyota bankrupts Detroit. These treaties that Corporate America makes with various countries are all done outside of mainstream America. A famous quote of Rockefeller's, “Every politician has a price; I pay that price.” The rich and famous use their oil money.

“The Invisible Government” by former FBI agent, Dan Smoot

It is very difficult for Mr. Average American to conceive of a government within a government that is actually pulling the strings of these puppet politicians to perform on stage the will of the Invisible

Government. Have you ever seen the pictures that at first look like a landscape scene. But the instructions at the bottom tell you that within this picture is a donkey, a wagon and a boy. Even aided by these instructions, they are still difficult to find. Once you've located the donkey, the wagon and the boy, that is ALL you see!

Dan Smoot, a former FBI agent, used to have a telecast. I believe it was called, The Dan Smoot Report. It was underwritten by the Hunt Brothers, who controlled the silver market of Texas. When I read Dan Smoot's The Invisible Government, my eyes were opened to see the donkey, the wagon and the boy. Once able to see this "invisible government," then all you can see is the manipulation of these agents who pull the strings of the puppet politicians we elect.

Dan Smoot's The Invisible Government is called the Council on Foreign Relations (CFR). The CFR represents the dream child of Col. Edward Mandell House, the mystery man of Woodrow Wilson's Cabinet. Born in Texas, Col. House was a Jewish International Banker. Most Jews are secular humanists, and view Christianity as a potential threat to society. Our entire public school system is caught up in the same ideology, teaching heretical doctrines like evolution, that man is merely another animal on planet earth.

Col. Edward Mandell House

Nonetheless, Col. House discovered a simple, easy way to change Christian America into a secular humanist society without a coup d'état or without ever firing a shot. To accomplish the feat, Col. House reasoned, one must devise a system whereby the office of President is controlled. Why the Executive branch? Because it is the responsibility of the President, according to our Constitution, to make all appointments to the Supreme Court. This is the sole reason for the existence of the CFR! One judges a President by his appointee.

Both Democrats and Republicans and the biased news media are members of this elitist group called CFR. When a certain politician like John McCain becomes a darling of the press, there is a reason. You need to ask questions. Is he another Earl Warren dressed in sheep's clothing? John McCain was considered for vice presidential material for John Kerry. John Kerry was his friend, he said. Is John McCain being groomed for Vice President for Hillary Clinton? It is our own news media that controls our elections today. They play the part of God. *"He removeth kings, and setteth up kings."* (Dan. 2:21) Our own CFR controlled news media does the very same thing! However, talk radio gives the media a challenge that didn't exist prior to Barry Goldwater's defeat.

Barry Goldwater, Sr. is the seed from which conservatism's tree has grown

Barry Goldwater, a Jew, was the father of our modern day conservative movement. He became the first spiritual martyr of the biased mass news media. Barry only carried six states in his run for President in 1964 as a result of the CFR news media flexing their muscles. The power of the press was made manifest to all, the type of enemy we were up against. "The life of the church is in the seed of its martyrs." Barry Goldwater's martyrdom proved to be "the seed" that birthed talk radio and the reason why it must live on if we are to survive as a nation.
