WAS IT PREMEDITATED MURDER? (1966)
GOD IS DEAD (1973)
By Cpt. Gordon Nelson

April 8, 1966

What did the “Insiders” know about the murder of God?

Seven years before the murder of God transpired in this country, this prophetic question appeared on the cover of the April 8, 1966 issue of Time magazine—Is God Dead?

Were the “Insiders” preparing Americans for the inevitable: the death of God? Don’t you have a curiosity as to how the crime was perpetrated?

George Orwell’s “1984”

Have you read George Orwell’s book, 1984, which later became a movie? Billy Graham stated that 90% of the prophecies in that book have already been fulfilled. We are not talking whatsoever about the fulfillment of Bible prophecies. The “Insiders” believe that they are gods, and that the masses are so ignorant that these “gifted ones” must shape society. They don’t believe we have the intelligence to

know what’s best for us.

Aldous Huxley’s “Brave New World”

I recall my son bringing home the books 1984 and Brave New World to read as homework assignments. I had never seen these books until he brought them home. Who are these people who can write with such incredible accuracy tomorrow’s news events? Are they guiding and directing our lives like pawns on a chessboard, right now as I write?

Have you ever seen a beautiful landscape picture in which you are told there is a boy, a four-wheeled wagon and a donkey? At first you can’t believe it. To you it looks just like a beautiful landscape. But, as you keep on studying and looking at the picture, all of a sudden all three emerge. After that, all you can see is the boy, the wagon and the donkey!

“The Invisible Government” by Dan Smoot

It is the same way with the “Invisible Government”, who are artists in deception by their bias to the left in reporting the news. Who are these elitist body of men and women who can so hide reality? My eyes were opened after reading Dan Smoot’s book, The Invisible Government.

The actual father of this “Invisible Government” was Adam Weishaupt, a Jew who founded the Illuminati on May 1, 1776. May 1, 1776 is the original May Day, the birthday of the Illuminati, celebrated throughout the world, especially in Communist controlled nations. At the very time we were celebrating our independence from England, Adam Weishaupt was envisioning our enslavement to a handful of multi-billionaires who would, unbeknownst to its subjects, control planet earth.

Adam Weishaupt– Novus Ordo Seclorum

Adam Weishaupt chose Freemasonry as the secret organization to obtain such men who would serve humanity by being the watchdogs of society. He is the first man to envision One World Government, being ruled and controlled by his Order of the Illuminati, a part of the Masonic Order. As members die off, their replacement is chosen from among those who have completed the 33rd degree of Freemasonry.

The tentacles of this exclusive club reach out even into the world of religion. If you’re ambitious and desire to preach to the entire world, you must join the Freemasons. The devil is *“the prince of the power of the air.”* (Eph. 2:2) The temptation is comparable to one the devil gave to our Lord. *“Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; and saith unto him, All these things will I give thee, if thou wilt...”* become a Freemason. (Matt. 4:8-9) *“I own the air. I am the prince of the power of the air, and you will have wealth untold, for that is delivered unto me; and to whomsoever I will I give it.”* (Lk. 4:6) Follow your Freemason televangelist to wealth and prosperity. Do as he did to acquire wealth.

Don’t be a prude – Be at least a first degree Mason

This is the real “prosperity message.” Join the Freemasons, and become fabulously wealthy like Billy Graham, Oral Roberts, Pat Robertson, Jerry Falwell, James Dobson, and the list goes on. Do you want to be world renown, and have your children marry into wealthy families? It doesn’t cost too much; only your soul! Look at the business contacts you can make! Be reasonable, just become a “first degree” Mason. After all, you’re not under the law, but saved by grace! *“Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God.”* (Lk. 16:15)

Adam Weishaupt went fishing and landed a marlin, every fisherman’s dream

Adam Weishaupt went fishing and landed a marlin! Apostle Peter, after being chosen by Jesus Christ to be the first Pope, declared, *“I go a fishing.”* (Jn. 21:3) What did Adam Weishaupt use as bait to catch his marlin? What ocean waters did he choose to fish in? Two very important questions. He fished in the

waters of Freemasonry. The bait was the controversial Protocols of the Learned Elders of Zion.¹ Mayer Amschel Rothschild was the marlin that swallowed the bait, hook, line and sinker! Landing that marlin was like crashing the Bank of Monte Carlo. Adam Weishaupt, now with the House of Rothschild in his hip pocket, was now ready to swing and sway with Sammy Kaye! He had money! Bring on One World Government!

Col. Edward Mandell House, agent for the International Bankers

The key player to humble America to become subservient to these “enlightened ones” of Freemasonry’s Illuminati, was a Texas-born international banking agent, Col. Edward Mandell House, who was referred to as the “mystery man of Woodrow Wilson’s Cabinet.” It was Col. House who in 1912 first discovered the weak link in our system of checks and balances handed down to us by our founding fathers in the Constitution. The Executive, Legislative and Judicial branches are checks on each other to prevent any one branch from becoming too powerful, thus opening the door for a dictatorship. This “mystery man” must have been on the payroll of the House of Rothschild in Europe.

In 1912, Col. House wrote a book of fiction called, Philip Dru: Administrator. This book, like 1984 and Brave New World, forecasts future events in America with such accuracy it is frightening! There are two principal characters in the book, Rockland and Philip Dru. Rockland is a type of F.D.R., and Dru becomes a dictator on the heels of a race riot perpetrated by a CFR² controlled mass news media. The book was written in 1912, but its prophecies are still ongoing!

Upon his election as President, Franklin Delano Roosevelt flew to Col. House’s mansion to get further instruction on how to depict Rockland in his book, Philip Dru: Administrator. Rockland had come into the presidency on the heels of a great depression. He closed all the banks and established programs such as the WPA, the CCC camps and the SSA, among others.³ It is in the book, published in 1912.

Philip Dru emerges as first socialist dictator of America

Col. House was an agent of the International Bankers, and therefore holds nothing sacred except the god of mammon. The International Bankers are loyal to no country or religion, but only the power to bend nations because they control earth’s money. Mayer Amschel Rothschild spoke for all International Bankers when he said, “Give me control of a nation’s money and I care not who makes the laws.” The House of Rothschild helped in financing Hitler’s rise to power and the building of the crematoriums of Auschwitz, where six million Jews were cremated in their ovens.

Col. House set about to bring his fictitious character, Philip Dru, to become the dictator of a socialist America. He discovered that the weak link in our three branches of government was the Judiciary. If a series of liberal Presidents reigned successively, these appointees to the bench by liberal Presidents

¹ No one knows who wrote the “Protocols.” They surfaced through Adam Weishaupt. Apparently, there are two sets of “Protocols,” according to Dr. Stanley Monteith of Santa Cruz, CA. While going through Weishaupt’s papers at Yale, he came across a copy of “The Protocols of the Meeting of the Zionist Men of Wisdom.” It was essentially the same document as “The Protocols of the Learned Elders of Zion,” but the wording was different, which suggested it was a different translation.

² Council on Foreign Relations

³ Works Progress Administration, Civilian Conservation Corps, Social Security Act

(whether Republican or Democrat) would destroy the ideology of the past. America will have been conquered at the ballot box and never had to fire a single shot.

Col. House founded the CFR to control the Executive branch of government

To accomplish this feat, Col. House founded the Council on Foreign Relations. Both Democrat and Republican hopefuls to the presidency are all members of CFR. It is this CFR that Dan Smoot calls “The Invisible Government.” All of your mass news media belong to this same club. The first President CFR put into the White House was Herbert Hoover, a liberal Republican. We haven’t had a truly American President since Calvin Coolidge, with the possible exception of Ronald Reagan. He is the only man that I know of that wasn’t even a Freemason when he became President. This was never supposed to happen! Ronnie succumbed in his second term and joined the Masons. He seemingly never fully understood his own popularity with the people. Why did he appoint a liberal running mate, and insider, like George H.W. Bush (#41), a Yale graduate and member of Skull and Bones?

Rod Parsley’s “Silent No More”

Rod Parsley of Columbus, Ohio, has written a book called, Silent No More. This book shows you the dangers we face in packing the Supreme Court with liberals. Please pick up a copy at any bookstore, Walmart or Kmart.

If John Kerry had won this past election, we could then have seen Philip Dru emerge as dictator over socialistic America, without them ever having to fire a shot! We are indebted to a bunch of Catholics living in Ohio for stopping John Kerry! It is frightening to even imagine what kind of America we’d be living under with him as President. It is difficult for us to survive as a nation when there are more of them than us!

God was murdered in 1973 through Roe vs. Wade

Now we have established the motive for having God murdered! It was in the April 8, 1966 Time magazine issue that the question was asked, “Is God Dead?” Seven years later, in 1973, the Supreme Court, led by Earl Warren, murdered God with Roe vs. Wade, thus destroying Christianity. By that one decision, Secular Humanism became the state religion.

When Secular Humanism became the state religion, God was murdered in our society. But Christians are so blinded by the CFR-controlled mass news media, they can’t see the boy, the wagon or the donkey. The public is as bewildered in the realm of politics as they are in the field of religion.

Was Cyrus Scofield the Billy Graham of the 19th Century?

President Ulysses S. Grant appointed Cyrus I. Scofield to be the District Attorney for the District of Kansas.⁴ Cyrus was a lawyer and passed the bar of the state of Kansas. Most all Christians can tell you the time, the day and the place of their conversion. C.I. Scofield was never able to do this. Right up to the date of his so-called conversion, “Scofield was still involved with courts in matters of forgery” to Nov. 6-18 of 1879. The D.L. Moody Evangelistic Campaign began on the 25th day of the same month, to which the

Congregationalist C.I. Scofield first came into prominence among the churches at age 36.⁵ Having a history of being a shady attorney, there is no way to convince me he wasn't a Freemason. Who knows the source of Dr. Cyrus Ingerson Scofield's sudden streak of wealth to build a university (Dallas Theological Seminary), and create his own Bible, "The First Scofield Study Bible."

Here is my question to you. Was C.I. Scofield another Billy Graham of Freemasonry, to establish doctrines that cloud the Word to where you cannot see the boy, the wagon and the donkey when you read the Bible?

Christians are caught in a crossfire between two wars

As Christians, we are caught in two wars on two fronts, raging for our destruction. You, as a believer, are called upon to be an "overcomer" on both fronts. But how, pray tell, can you be an overcomer when as of this date you haven't located the enemy? Secular Humanism is as dedicated to put you in a Gulag, as a fundamentalist Islamic follower of Allah is dedicated to cut the throat of an infidel. (The Koran)

Dennis Peacock

Dennis Peacock of Dominion Now theology and COR⁶, recently contacted pastors on the Monterey Peninsula to enlist in his networking scheme to turn "the kingdoms of this world" over to Jesus Christ. (Rev. 11:15) You are expected to pool your finances as a Christian to buy out the financial institutions of America. *"To seduce, if it were possible, even the elect."* (Mk. 13:22) *"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith (the falling away)."* Why? *"Giving heed to seducing spirits, and doctrines of devils."* (1 Tim. 4:1) Remember the old cliché? "What Lola wants, Lola gets!" Lola, the seducing spirit, is targeting you! These spirits are lonely, and they want you!

Nehemiah's wall is the 20th Century jigsaw puzzle

The word gets around quickly that Nehemiah is working on the wall. You had better be busy working on the wall when Sanballat phones you. I told old Sanballat the Horonite a long time ago, "The Bible is nothing more than a giant jigsaw puzzle. You cannot put all the pieces together without the help of the Holy Ghost." Folks build on everything but the wall. They'll read volumes on how to be a god, but the wall is of no concern.

"When Sanballat the Horonite, and Tobiah the servant, the Ammonite, heard of it (Nehemiah working on the wall), it grieved them exceedingly that there was come a man to seek the welfare of the children of Israel." (Neh. 2:10) They are unconcerned until they hear about Nehemiah's interest in the wall.

Nehemiah encourages the people to keep building on the wall. This jigsaw puzzle may take a man's entire life to complete, but don't stop now! *"But when Sanballat the Horonite, and Tobiah the servant,*

the Ammonite, and Geshem the Arabian, heard it, they laughed us to scorn, and despised us, and said, What is this thing that ye do? will ye rebel against the king (the IRS will close you down)?” (Neh. 2:19)

James S. and E.W. Kenyon

I received a phone call, as well, from James S. He told me I was just like E.W. Kenyon as far as stirring up the people. Apparently, someone wrote a biography of E.W. Kenyon’s life. He never joined the Assemblies of God either. *“Ever learning, and never able to come to the knowledge of the truth”* (2 Tim. 3:7), is my brother James.

I told James, “How can I be like E.W. Kenyon? He was a loner! As a loner, he could have the soundest doctrine known to man, and still be wrong!” God’s isolate themselves by their own mindset. You’re god and I’m just Gordy. We’ve got 3½ years to travel and “must endure to the end to be saved.” (Matt. 24:13) I can’t make it alone! God’s only require subjects to gaze upon their highness and wonder at their personal revelations. Give me a break! The televangelists steal your thunder every day, continually pulling rabbits out of hats. Do we really need one more god?

You desire more gods? Kenneth Copeland is your man. But, when you join his kingdom, there is only room for one god: Kenneth Copeland. You pay your tribute money every month to the king, or else you’re dropped!

Dennis Peacock, again

Before we leave Dennis Peacock, a member of the COR Steering Committee, and a graduate of Fuller Theological Seminary, let’s look at these scriptures Dominion Now folks have been seduced into believing. First, you must remember, *“God hath not appointed us to wrath.”* (1 Thes. 5:9) If you’ll now read Revelation 6:15-17, you’ll find the wicked announcing, *“For the great day of his wrath is come; and who shall be able to stand?”*

The seven trumpets represent God’s wrath

The church has already been raptured with the opening of the sixth seal, prior to the day of God’s wrath and the opening of the seventh seal. *“The first angel (trumpet) sounded, and there followed hail and fire mingled with blood.”* (Rev. 8:7)

Rev. 8:8-9, the second trumpet sounded. Probably a meteorite hits the earth. *“A great mountain burning with fire was cast into the sea: and the third part of the sea became blood.”*

Rev. 8:10-11, the third trumpet sounded, and a great star from heaven devastates one third of the water on earth.

Rev. 8:12-13, the fourth trumpet sounded, and one third of the sun was smitten, one third of the moon, and one third of the stars.

Rev. 8:13. A warning is issued, *“Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound (blow their trumpets).!”*

This is the wrath of God being poured out upon the earth, and we haven't even arrived at the final angel, the seventh blowing the trumpet.

You amillenialists, The Lion and the Lamb, G-12, post-tribbers, are going to live through all of this to deliver the kingdoms of this world to the Lord Jesus Christ???

Dominion Now is a type of Nimrod attempting to save himself

I've heard it said that "If you saw this period of time of the seven trumpets, the seven vials and the seven woes being turned loose upon the earth in a movie, you'd die of a heart attack." This is man's answer to saving himself, like Nimrod building the Tower of Babel, throwing his fist in the face of God, saying in essence, "We are ready for you God, the next time you have a temper tantrum toward us earthlings. We have a tower into the heavens to protect us from your deluge of water." (Gen. 11:4)

Eudorus Bell built on the sand – democracy

Nimrod never got the message that his building program was in defiance of God, therefore he was cursed. Man sees nothing wrong with the hiring of a Eudorus Bell, founder of the Assemblies of God, to create little democracy's where the "people rule"—Laodicea. They touch God's anointed every time they vote. *"For if I yet pleased men, I should not be the servant of Christ."* (Gal. 1:10)

Eudorus Bell turned God's anointed into "hirelings" (Jn. 10:12-13) and cursed the entire Pentecostal religion. Can you imagine working for God as His laborers and receive \$40 a week and a chicken for wages? This is one vow I vowed to God, "If the only way I can become a preacher is by accepting Eudorus Bell's \$40 a week and a chicken, forget it!" "You keep our pastor humble, Lord, and we'll keep him broke!" is the prayer of the deacon board.

Is it any wonder Pentecostal preachers became gods? They use that organization as a boot camp to learn to preach, and the next thing we know we have a brand new "god" on our hands.

Finally, the seventh angel has sounded, and the victory of the Lamb is complete

Now take a long hard look at the blowing of the seventh trumpet, the last and final trumpet. *"And the seventh angel sounded; and there were GREAT VOICES IN HEAVEN (not on earth), saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever."* (Rev. 11:15) This is only talking about the reaction in heaven over the victory of the Lamb over the kingdoms of this earth. The very next verse talks about the four and twenty elders to give you the context.

Men like Dennis Peacock, the G-12, amillenialists, post-tribbers, are very dangerous men. Have you noticed the compromise of pre-tribbers showing their tolerance to these "activists Christians" ready to lay down their lives. Jesus is seeking those who will *"work out your own salvation with fear and trembling"* (Phil. 2:12), and who will live for Him. Apostle Paul said, *"For I am in a strait betwixt two, having a desire to depart, and to be with Christ; which is far better: nevertheless to abide in the flesh is more needful for you."* (Phil. 1:23-24)

Rush Limbaugh, the educator on liberalism

It all comes back to whether or not you can see the boy, the wagon and the donkey. Why do you suppose folks listen to Rush Limbaugh? They know he can see the boy, the wagon and the donkey in the liberal's camp. Our biased mass news media hate this man with a passion. Why? Because he tells you about the same news you read in your newspaper over a cup of coffee, but you never saw what Rush saw reading the same news story.

The crying need in our society is not for another god or goddess, but for someone who so understands the complexity of Pentecostalism, and has the ability to reduce it all to a common denominator. The church needs a religious Rush Limbaugh that can answer our questions without his being attached to some secret society like the Freemasons.

Rush Limbaugh is a symbol of our times to level out our peanut brains to think rationally. What a gift from God! And, Rush gives God all the glory as a "man on loan from God." Without the wisdom of this one man, we'd never know how to vote correctly in an election. Of course, Rushbo knows the very first election we lose, he is fired! The Democrats will silence him, I promise you, if they ever gain power again. But, like Rush says, "You liberals have got to win first" before invoking what the Demon-crats call "The Fairness Doctrine."

Rev. Carl MacIntire, the father of talk radio

This is how they silenced Rev. Carl MacIntire, the father of talk radio and a Presbyterian preacher, and confiscated his radio station. He wound up on a boat out in the Atlantic preaching from the deck like a true captain of the ship. He never gave up giving Washington D.C. hell. Carl MacIntire was that corn of wheat that fell into the ground and died. (Jn. 12:24) Trees on talk radio have sprung up all over our nation as a result of one kernel of corn dying and crying like a voice in the wilderness, "*Prepare ye the way of the Lord, make his paths straight.*" (Matt. 3:3) Yet, John the Baptist did no might miracles. (Jn. 10:41) Pentecostals would have a problem following John the Baptist! "Show us a sign, then we'll believe!" Jesus told these hypocrites, "*An evil and adulterous generation seeketh after a sign; and there shall no sign be given to it, but the sign of the prophet Jonas.*" (Matt. 12:39)

Amalek, a type of our flesh, wars continually against the Spirit in us

The Bible doctrine is a "life for a life." We must give up our life so that seed can grow into Christ that was sown into our ground (the body) at the new birth. It only comes with maturity, not reading some man's book for a magic formula. Apostle Peter was forever messing up. "*When I was a child, I spake as a child, I understood as a child, I thought as a child.*" (1 Cor. 13:11) But, look out devil, you are in deep trouble now that I've become a man. Jesus spoke prophecies over Peter, whom Jesus loved. "*Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkedst whither thou wouldest: but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest not.*" (Jn. 21:18)

When you are an older person, you have less to die to in the flesh. This world seems less and less as your final resting place, hence, it is easier to allow "another to gird thee." You really have no choice.

Our flesh this, our flesh that, is all important to youth. The Amalekites, who were the most perpetual enemies of Israel, are a type of our flesh. *“And Moses built an altar, and called the name of it Jehovahnissi (God is my banner): for he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation.”* (Ex. 17:15-16) Amalek was a grandson of Esau, who was born “after the flesh.” I don’t fully comprehend why God would have Moses build an altar to continually remind us of our flesh. Paul screams, *“O wretched man that I am! who shall deliver me from the body of this death?”* (Rom. 7:24) *“Whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it.”* (Lk. 17:33)

Listen to a nice 21st century tongue talking Christianette. One just buys a Joyce Meyer tape or reads some Freemasonry guru’s book to become a god. Amalek is always with you to fight daily, perpetual from generation to generation (Jehovahnissi). It is a war that is won with your arms extended praising God. *“And it came to pass, when Moses held up his hand, that Israel prevailed: and when he let down his hand, Amalek (your flesh) prevailed.”* (Ex. 17:11) You wonder why we shout, dance, clap our hands and do the Jericho march around the church? We are warring against Amalek, a war from generation to generation. The very moment you relax and imagine you are a god, Amalek shows up to remind you how human you really are!

When you tell me that you’re a god, that means you’ve killed Amalek. You have no more problems with the flesh. This is why Jimmy Swaggart was given a vision of the cross when he first discovered how alive Amalek really was in his own body. He came out of Eudorus Bell’s sandy house. No one ever told him about Amalek. Now he screams it out across the nation, “Amalek is alive!” It is not we who win the war, but Jesus when He declared at His death on the cross, *“It is finished.”* *“He that glorieth, let him glory in the Lord.”* (1 Cor. 1:31)

Can God be resurrected from the dead?

God is dead! You may think this is some kind of joke. We have folks in America that hardly take time out to eat and sleep to erase every vestige of God in our country. You nice little Christianettes haven’t even heard, or believe, that such animals of hatred against God exist. Ever since 1973, you vote them into public office to continue their battle to destroy God completely.

We’ve had since A.D. 5 as Christians to prove God is alive. One state, Ohio, and a few Catholics, saved our butts in this past election. They win simply on default because you don’t believe that they murdered God in 1973. They need John McCain, Hillary Clinton, Ted Kennedy, Charles Schumer, John Kerry, Lindsey Graham, and Nancy Pelosi to guard the tomb, just as Caesar dispatched guards to the tomb of Jesus to assure Rome there would be no resurrection.
