MESSAGE 10 - 1995

G.A.O.T.U.

By Gordon F. Nelson

This is the god of the Freemasons, "G.A.O.T.U.", the "Grand Architect of the Universe." It is not until you attain your 33rd degree of Freemasonry that you are told his real name; Lucifer. As an initiate, any god will suffice as long as you keep your religious beliefs to yourself. Most Christians today are like the Secret Service men of the government anyway, so Masonry is like a men's lodge. Only if you witness for Jesus Christ as the Only Way, would you run into trouble as an initiate.

Scripture only recognizes two gods. One is "the god of this universe" described as the "*prince of this world*" (John 14:30) who has authority over "*the rulers of darkness*" (Ephesians 6:12). The initiate is subtly "sucked in" until he is in so deep he becomes a convert to the Masonic Bible: the Jewish Kabbalah.

The occult always leads you to their "god." There is nothing wrong with the simple "yoga" to maintain physical fitness. However, when you find you are worshipping a dumb idol, Buddha as god, as a result, you may ask the question, "Is there not a better way to tone the body?" It is always gradual! No harm in this!

It is like the story of the frog. If you throw a frog in hot water, he will immediately react and jump out. But, put the same frog in cold water and gradually turn up the heat, and you can cook him to death. He never receives the message of the danger point; the point of no return!

God gave me a dream back in 1945. It was of two whirlpools that represented two churches in Oakland, California. The reason they were whirlpools is because they were both "Trust Me" organizations. Both churches were owned by the preacher. The first whirlpool I had just recently been delivered from by the second longest criminal trial in Alameda County's history; the conviction of C. Thomas Patten.

In my dream my head was all you could see revolving about in a large circle. The depth of the water and the pace increased as I trusted the leader of the church!

I plainly saw these two circles and then I heard God's voice, "I got you out of this whirlpool (represented by Dr. Bebe H. Patten) but look out for this second whirlpool because you will never come out of this one!" It struck fear into my heart! I would be forever lost if I allowed myself to succumb to this second whirlpool, represented by Dr. Cecil J. Lowry, an ordained Assembly of God preacher.

Dr. O.L. Jagers had just completed a "miracle revival" at Dr. Cecil J. Lowry's Oakland Revival Tabernacle to a packed crowd every night, where as a congregation we counted 3,000 souls coming to the altar to be saved. It was easy to step into such a "whirlpool" accompanied with "mighty signs and wonders."

If a preacher owns
the church, stay out
of it!

Sure enough, in my dream I disobeyed God. I gradually stepped into this huge circle of a whirlpool about ankle deep. I was conscious of tempting God, so I moved slowly and cautiously at first. It was only ankle deep and I was allowed to move slowly at first. While in these whirlpools, words would spew from my mouth of my belief system. In the first whirlpool I had been spewing out, “Dr. Bebe H. Patten is the greatest evangelist in the land. Dr. Patten is the only one caring for souls.” Spitting these words out of the only thing visible, my head, going round and round in this whirlpool.

Now the water was rising, and the whirlpool moving faster until, again, all that was visible was my head (along with others) spewing out this second time, “Dr. Cecil J. Lowry is the only one loving souls. He has the greatest church in the land, etc.” I knew I was forever lost having disobeyed God this second time, and suddenly was awoken screaming, “Oh, that I could view these two churches once again!” But, I could not in this whirlpool. I was lost. Thank God, it was only a dream!

I was contemplating joining the Oakland Revival Tabernacle (fellowship). This type has no membership! Anyway, I told God, “If this dream means anything, it means Dr. Cecil J. Lowry owns his church, just like Dr. Bebe H. Patten.” I checked the records filed with the Secretary of State in the courthouse and found this to be true.

If a preacher owns the church, believe me, stay out of it! That is the moral to this story! Every slander against the Pentecostal religion, from snake handlers, to Jew-baiters, to baptizing in Jesus’ Name, invariably stems from one man attempting to play God. Preachers never paint the picture from the laity’s point of view; only from theirs, being “lords.” With them being “lords,” you are no better than slaves under Pharaoh. No real deliverance at all!

Sacramento, you’re spoiled as to what the rest of the country endures under the flagship, “Charismatic Pentecostalism!” As a city we can boast of the two largest churches, Capital Christian Center and Trinity Church, not being owned by the preacher. These are not “Trust Me” churches, thank God! They have “government.” *“And God hath set some in the church...governments.”* 1 Corinthians 12:28. Without “governments,” whatever else you have is like *“sounding brass, or a tinkling cymbal.”* 1 Corinthians 13:1.

The only true God was sent to Earth as the “Prince of Life.” In Acts 3:15, we read, *“And killed the Prince of life, whom God hath raised from the dead; whereof we are witnesses.”* *“For God so loved the world (universe), that he gave his only begotten Son,”* (John 3:16) to tell us of another kingdom that was not of this world. *“My kingdom is not of this world: if my kingdom were of this world, then would my servants fight.”* John 18:36.

G.A.O.T.U. (Grand Architect of the Universe) is the god of this universe. The Christian’s God is from another world.

In their Book of the Craft (Daniel 8:25), the Masons print the letters J.B.O. It stands for the secret name for the “Grand Architect of the Universe” called “Jahbulon.” Ed Decker, a former Mormon who

took up the study of Freemasonry upon discovering the similarities between it and Mormonism, defines the name as follows: "JAH" is the Greek word for Jehovah; "BUL" is a rendering of the name BAAL (the ancient demon-god); "ON" is the term used in Babylon mysteries to call upon the (ancient Egyptian) deity Osiris.

Masonic ritualism teaches that the name Jahbulon, gives the god of mysteries (Lucifer) authority over Jehovah (the only true God and Creator). The founder of the Jehovah Witnesses, Joseph Smith was also a 33rd degree Mason. Masonry recognizes Joseph Smith's god of Jehovah.

No one Mason may pronounce the entire sacred name by himself (for fear that his soul would be eternally damned). Therefore, it takes three Masons to repeat the name, each pronouncing only one syllable, thusly: "JAH--BUL--ON."

For one Mason to pronounce the name of his god, Jahbulon, he would be guilty of "taking the Lord's name in vain."

Every Mason, from the mayor to the dog catcher, believes this Satanic hogwash. *"For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent...the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."* 1 Corinthians 1:19,21.

On July 14, 1889, Albert Pike stated before the twenty-third "Supreme Councils" of the world: "If Lucifer were not god, would Adonai (the God of the Christians) whose deeds prove his cruelty, perfidy (act of violating faith or allegiance) and hatred of man, barbarism, and repulsion for science, would Adonai and his priests, culminate him?

Masonic doctrine places Jesus Christ under the control and at the mercy of Lucifer.

Yes, Lucifer is god, and unfortunately Adonai is also God. (There are only two gods; the Masons got the number right.) For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can exist as two gods: darkness being necessary to light to serve as its foil as the pedestal is necessary to the statue, and the brake to the locomotive.

Thus, the doctrine of Satanism is a heresy, and the true and pure philosophic religion is the belief in Lucifer, the equal of Adonai; but Lucifer, god of light and god of good, is struggling with humanity against Adonai, the "God of Darkness and Evil."

Pike continues on page 567 of Morals and Dogma: "To prevent the light from escaping at once, the demons forbade Adam to eat the fruit of "knowledge of good and evil" by which he would have the Empire of Light and that of Darkness. He obeyed; an Angel of Light induced him to transgress, and give him the means of victory; but the demons created Eve (Why doesn't the Woman's Liberation Movement attack Freemasonry for that statement?) but seduced him into an act of sensualism, that enfeebled him and bound him anew in the bonds of matter."

"These doctrines are in their entirety, heresy. Pike not only turns the truth upside down, but he adds material. In short, Masonic doctrine places Jesus Christ under the control and at the mercy of Lucifer, labeling the Holy Ghost of Israel, a demon." ¹

¹ En Route to Global Occupation, by Gary H. Kah.

If I would ever make such a statement that the “demons created Eve,” you’d be writing letters to the Editor of your daily newspaper, etc., and most certainly cancel the reading of the *RIVERBANK NEWS*. But, Albert Pike, chief spokesman for Masonry, “Oh, that’s different!”

Christians are much like the ostrich, desiring rather to put their heads in the sand, than face the reality of “lies” propagated by the “International Bankers.” Jesus said, *“No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and (the) mammon (god).”* Luke 16:13.

The mammon god is the god of this universe, the “Great Architect of the Universe.” Satan has plans for this universe! He knows God has allotted him one week (Daniel’s 70th week), or a period of seven years to rule this Planet Earth. *“He knoweth that he hath but a short time.”* Revelation 12:12.

The “Great Architects” of Masonry live on earth and plan to subdue it. For any builder, blueprints must be drawn up so others can help in the building.

On May 1, 1776, Adam Weishaupt, a Jew, founded the “Illuminati.” May 1st is not to celebrate a Russian “May Day,” but the birthday of “One World Government.” The wisdom on how to achieve this end result surfaced through Adam Weishaupt in the controversial The Protocols of the Learned Elders of Zion.

Tradition tells us that the most famous of all blueprints, The Protocols of the Learned Elders of Zion was drafted by the wisest man that ever lived, King Solomon. Freemasonry, through their tradition, claims credence to Solomon’s Temple, and in particular, Hiram. *“And Solomon’s builders and Hiram’s builders did hew them, and the stonequarers (craft of masonry).”* 1 Kings 5:18.

Solomon had seven hundred wives and three hundred concubines and *“his wives turned away his heart after other gods...And Solomon did evil in the sight of the LORD.”* 1 Kings 11:1-8. As a backslidden Jew, and still possessing this “rare gift of wisdom”, he wrote The Protocols of the Elders of Zion. This blueprint, if followed, would guarantee that his countrymen would never again become slaves to a Gentile Pharaoh. Solomon worshipped the gods of his foreign wives until death. Was he eternally secure?

In a pamphlet, The Neutralizer, Robert Welch (founder of the John Birch Society), paints an entirely different picture. Robert Welch was first a 33rd degree Mason, and therefore a convert to the Jewish Kabbalah, before he founded the JBS.

In the “reproduced” 1993 edition of Robert Welch’s The Neutralizer, he states on page 7:

“Actually there is a strong indication and considerable logic that Lenin himself forged the so called Protocols of the Elders of Zion and planted them in the anti-Communism ranks to serve many long range purposes.

It was quite possible in this manner to “lay out a blueprint” for the Communists themselves to follow.”

It is refreshing to read that Robert Welch admits herein the Protocols are a “blueprint”--but for whom? Welch says, “Lenin himself forged the Protocols.” What Lenin possessed evidently was a forgery, hence the real thing must be in the hands of the House of Rothchild.

I have more reason to suspect the author of the Protocols to be Solomon than Welch's Lenin supposition. Robert Welch has an ulterior motive for his supposition. He has an ax to grind--I have none.

The John Birch Society is a Jewish front organization, as is the Freemasons. I happened to know, having been "kicked out" of the JBS by the Leland brothers (two Jewish, Oakland Realtors) merely for inquiry about the Protocols mentioned in Robert Welch's The Neutralizer. Following the night of my inquiry, at 3:00 in the morning I received a phone call from one of the Leland brothers that I was no longer a member of the JBS. To my knowledge, I am the only one to have received such a distinction. Apparently, I committed the only unpardonable sin.

By what authority are these Jewish members empowered to kick anyone out of the Society when in reality there is no membership. There is no membership because you have no say nor vote. It is only by delegated appointment that you climb the ladder of success within the Society.

I'm familiar with this sort of treatment having been a Pentecostal for 55 years of my life. "My deacons are only ushers in this church!" declared the late Dr. Cecil J. Lowry. This Assembly of God, Oakland pastor, in order to protect his anti-Semitic doctrines, set up a dictatorship where he ruled as king--Oakland Revival Tabernacle. "If you don't like it, the doors swing both ways; swing right on out."

In the original printing, the 1963 edition of The Neutralizer, Robert Welch defines anti-Semitism. It is simply this: If you believe the Protocols to be of Jewish origin, you are anti-Semitic. If you believe they are of Russian origin, you are not. This statement by Robert Welch stirred up my curiosity to read the Protocols, not available in any American Opinion Library. I had to know whether "I is" or "I ain't". By the Robert Welch definition you would never know until you first read the Protocols. Such a stupid definition for "anti-Semitism" has never graced the pen of man.

In The Neutralizer, Robert Welch also discloses the nature of the membership. He states that the JBS is composed of 50% Protestants, 49% Catholics, and only 1% Jews. It is tolerable for Catholics and Protestants to lambaste each other, but what is intolerable is for either group to question the 1% Jews. Numerically, he attempts to set you at ease relative to the 1%; nothing to fear.

It is the position of the 1% that determines the nature of the influence. In a pyramid, if the 1% are at the very top, they are the "lords" (a term I am well familiar with in a Holy Roller church).

Do you know the chief difference between the John Birch society and a "Holy Roller" church? The answer: Only one admits to being secret.

In a Society where there are no elections, no financial statement, no accountability to anyone but God: you are a "lord over God's heritage," condemned by scripture. 1 Peter 5:3. Robert Welch's reasoning for this is so we cannot be infiltrated by Communists! No dictatorship can be infiltrated!

Let me ask you one question to forever set your mind at rest concerning The Protocols of the Elders of Zion. Who benefited by them? Russia or the House of Rothschild?

One of the main purposes of the John Birch Society directors is to defect the direction they took once surfaced by the Illuminati. Is it just coincidence that the Illuminati, the Protocols, and the International Bankers have so much in common--control of Earth's money?

Mayer Amschel Rothschild's famous statement reflects the theme of the Protocols. "We care not what civil laws you pass, just let us control the money and we will rule the world." Mayer Amschel had five banker sons that controlled the money of five different countries of Europe: England, Germany, France, Italy and Austria. To accomplish this particular fete is what the Protocols' blueprint was all about--money, not Communist cell blocks.

The "Great Architect" has used the Freemasons more than any other one organization on earth to accomplish the goals depicted on the Great Seal.

Jacob Schiff, a Rothschild Jew from Frankfurt, Germany, was sent to America by Nathan Rothschild, the president of the Bank of England (financed by the House of Rothschild), to surrender our sovereignty to the European International Bankers (or the House of Rothschild). On December 23, 1913, Woodrow Wilson signed the Federal Reserve Act. What a Christmas present from an alien from Frankfurt, Germany! The Federal Reserve is privately owned by the Bankers. Now they can squeeze you anytime they desire! Can create depressions at will!

Read The Creature from Jekyll Island by G. Edward Griffin, which you can obtain at Heritage Book Shoppe, 3120 Fulton Avenue, Sacramento.

The controversial Protocols of the Learned Elders of Zion went north instead of east, once surfaced through a Jew who founded the Illuminati. We received our freedom from England, July 4, 1776. Plans had already been laid to enslave us on May 1, 1776--the original "May Day."

The "Great Architect" has used the Freemasons more than any other one organization on earth to accomplish the goals depicted on the Great Seal, designed by Alexander Hamilton, an Illuminist and Freemason. Every President to grace the White House became a Mason, except John F. Kennedy, who as a Catholic was a Knight of Columbus. You cannot bring in the Antichrist without first controlling the monetary system. "*And that no man might buy or sell, save he that had the mark.*" Revelation 13:17. Are you so naive as to believe that such a plan could come to Earth without a blueprint?

No single document has produced more bloodshed of innocent people than the Protocols. Jesus said, "*The truth shall make you free.*" John 8:32. The Illuminati, working through Freemasonry, produces the caliber of 33rd degree Masons to found organizations explicitly to deflect that truth.

"For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD; because they called thee an Outcast, saying, This is Zion, whom no man seeketh after." (Jer. 30:17)
